# SIMS PARENT APP

At Saint Patrick's College, we communicate with our parents through the SIMS Parent App. This App is available through the App store on smartphones, tablets and on PCs.

You can access the system anytime, anywhere.

What will you find in the SIMS Parent App:

· Important information such as attendance, behaviour, and achievements

· School term, inset dates and contact details available at the click of a button

· Access your child's school report

· Receive notifications to remind you about important information such as key dates for your diary

· Access to update your contact details, so we always have the most up-to-date information in case of emergency

· If you have more than one child at school, you'll have access to information for all your children, from the same app.

The information that you receive through the app will help you to stay up-to-date with your child's school life as well as support your child's development and progress.
