On your exam day

This checklist will help you to be as prepared as possible for your exams, so that on the day itself you can focus on doing your best.

Before sitting your exams, ensure you know:

- the date, time and location of your exams – you might find it helpful to write this information in a calendar or planner
- who to contact at school or college in case there's an emergency that makes you late or unable to sit your exam

What you cannot take into exams:

- any type of phone
 - revision notes
 - any type of watch (this includes analogue, digital and smart watches)
- 

What you will need:

- a clear pencil case
 - at least two black ink pens – blue pens are not acceptable
 - an approved calculator for relevant exams
 - appropriate apparatus such as a ruler or protractor for relevant exams
 - a clear water bottle if you wish to take one in – it must not have a label
- 

Other important information:

- Listen carefully to the invigilator's instructions which will be specific to your exam. If you are unsure of anything, please raise your hand and wait for the invigilator.
- Fill in your details on the front of your answer booklet.
- If you need additional answer sheets, raise your hand and wait for an invigilator who will provide you with one. Remember to add your details to this booklet too.
- If you need to use the toilet or feel unwell, raise your hand and wait for an invigilator who will escort you from the exam room.
- Make sure you stay silent – talking to a fellow candidate could result in disqualification from all your exams.

If you have any questions about the format on the day, please ask your teacher or exams officer.

While we like to share our experiences online, when it comes to exams, we have to be careful.

- Sharing ideas online can be helpful when you're studying or revising
- However, sharing certain information (see information on the right) can break the rules and could affect your results
- If you're not sure what you can and can't discuss online, check with your teacher
- If you receive exam content on social media, you must tell your teacher
- Don't be caught out by scammers selling fake exam papers

Things to do on social media:

- Have fun
- Be responsible
- Report any exam content you see to your teacher

Things not to do on social media:

- Buy/ask for/share exam content
- Pass on rumours of what's in exams
- Share your work
- Work with others so that your coursework is not your own independent work

If you do any of the above activities, you may:

- ! Receive a written warning
- ! Lose marks
- ! Be disqualified from a part of or all of your qualifications
- ! Be banned from taking assessments for a number of years
