

PAST PUPIL CAREER PATHWAY

Name	Megan Rooney
Year you joined St Patrick's	September 2009
Year you left St Patrick's	June 2016
A Level Subjects and results	Double award ICT and Business studies ABC
Brief overview about your time at St Patrick's (what are your best memories about school, any specific teachers?)	I absolutely loved my time at St Patrick's and couldn't have asked for better teachers who really cared about you as an individual especially Mrs Lively and Miss Whan. Our teachers put so much effort into each and every one of us to ensure we got the grades needed to move on to our desired university courses. When I started in September 2009 I hadn't done my 11 plus and I was slightly behind my class. At St Patrick's I was given the support and I met my goals and I walked away with 9 GCSEs, 3 A Levels and an offer for paediatric nursing at Queen's University Belfast.
Degree/course pathway after St Patrick's (include details about placements or any opportunities you availed of or awards you won)	I graduated in December 2019 with a degree in Paediatric Nursing.
What are you doing now? (further study, full time employment, what are your hopes for the future?)	I am currently employed by the Belfast Trust in the Royal Victoria hospital for sick children. I work in the short stay assessment unit where we care for a variety of medical and surgical patients.
Advice for current students at St Patrick's	It's not about where you start it's where you finish.
