LARA MAGINESS

ROLE

SENIOR PREFECT

ABOUT ME

Hello, my name is Lara and I am a Senior Prefect. I am currently studying Business, Performing Arts and Health and Social Care. I am hoping to become a teacher or to work within the business industry. I hope as a Senior prefect to give all students a voice and to ensure they feel heard, I want students to feel that their mental well-being is being looked after and constantly considered. Overall, I just want everyone else's St Patrick's College journey to be as enjoyable as mine was!
