## ABOUT ME

---

Hello, I am Aaron McDermott and I am Deputy Head Boy. I am currently studying Biology, Sociology and BTEC ICT. In the future I hope to go on to university and study children's nursing. I hope that my role as Deputy Head Boy will encourage younger pupils within the school to engage with the senior leadership team and bring ideas and issues forward to us to take on and improve school life. I want to be an example to anyone that you can achieve what you set out to do, even if you get a few knocks along the way!
