SENIOR PREFECT

ABOUT ME

Hello, I am Bronwyn McGovern, and I am a Senior Prefect. I am currently studying Double Award BTEC Sport and Health and Social Care. I take part in the GAA Academy within the school. It has helped me achieve my level 1 Referee course, allowing me to referee underage games. I also learned how to coach an underage session which allows me to go out into primary schools within the area to coach primary school students. In the future, I hope to have a career in the health and social care area possibly with sports. I always found sports psychology interesting. In my role as Prefect, I hope to ensure all the students within St Patrick's College are enjoying their time here and if they have any worries or concerns, I am there to help. I also wish to recognise that school can be a difficult time and that mental health is a big aspect, so I wish to provide resources which will help students to talk and deal with their mental health.
