ABOUT ME

Hello, I am Susannah McCartan, and I am Deputy Head Girl. I am currently studying English Literature, Biology and History. I am hoping to pursue a career in Marketing or gain experience in an apprenticeship with PwC. I am aiming to study the Communications, Advertising and Marketing degree at Ulster University or take part in the Business Management Flying Start Degree with PwC. During my time in this role, I am hoping to make the school a happy place for everybody, sharing a smile where I can. I also can't wait to work collectively with the Senior Leadership Team to bring our ideas alive.
